

CAREER OPPORTUNITY

July 24, 2007

Analyst, Infrastructure & Timberlands

Alberta Investment Management, Edmonton - With assets exceeding \$73 billion, Alberta Investment Management is one of Canada's largest investment organizations. Managing endowment fund and pension plan assets on behalf of the Government of Alberta, Alberta Investment Management is looking to build a strong global portfolio in infrastructure and timberland investments. To accomplish our goals, we are looking for an Analyst with strong analytical and interpersonal skills, and an interest in these alternative asset classes.

As Analyst, Infrastructure and Timberlands Investments, you will assist in the assessment and selection of external managers and co-investments. With well-developed analysis skills, you will be responsible for sourcing, researching, and conducting due diligence on infrastructure managers, timberlands investment managers and related co-investments. This role requires excellent written, interpersonal and presentation skills, demonstrated research and analytical abilities, team building skills, and strong decision making skills.

Qualifications: Completion of a University Degree in business or related field, with a minimum of two years related investment experience. Investment or corporate development exposure to the forest products, utilities or energy infrastructure sectors preferred. CFA enrollment or completion is preferred. Equivalencies will be considered.

NOTE: Final candidates will be asked to undergo a security screening.
