## Wealth of Experience

**TD Waterhouse**  
**Associate Portfolio Manager, Private Investment Counsel**

**Location:**

TD Waterhouse Private Client Services  
Private Investment Counsel  
Edmonton

TD Waterhouse Private Client Services, Private Investment Counsel is one of Canada's leading discretionary investment management firms with assets in excess of \$13 billion. As a result of growth in our client base we are seeking an Associate Portfolio Manager (APM) to join our Edmonton office team.

The APM will be responsible for managing and building a book of client relationships managed on a discretionary basis. The APM will be responsible for maintaining and growing the client base and determining the appropriate portfolio structure for clients' asset mix, geographic/currency diversification, equity, fixed income style. The job will also entail working with business development staff

The ideal candidate will possess strong interpersonal and business development skills, along with strong technical (investment) skills required to successfully manage high net worth clients. Strong presentation skills and knowledge of Microsoft Powerpoint, Excel and Word are imperative. The qualified candidate must also have money management experience, be an integrated thinker regarding holistic financial solutions to clients and have or be eligible for ASC registration. This position will lead to a long term career as a Portfolio Manager.

Academic requirements include an undergraduate degree and be a CFA finalist.

Please reply with cover letter and resume to:
