

Investment Research

Oil & Gas/Resource Sector Analyst

Odlum Brown Limited requires an experienced analyst in our Vancouver office to cover the resource sector, with an emphasis on the oil and gas.

The successful candidate has a passionate, value-based investment philosophy, has strong financial and accounting skills and is a self-starter with excellent writing and communication skills. An undergraduate degree in business, finance or engineering, as well as at least five years of experience as a sell side or buy side analyst is desired. Consideration will also be given to candidates with industry or consulting background. The CFA designation is a definite asset.

We invite all qualified candidates to submit a cover letter and resume, in confidence, by email to Murray Leith, Vice President and Director, Investment Research at mleith@odlumbrown.com for further review and consideration.

We wish to thank all applicants for their interest, but advise that only those selected for an interview will be contacted.

Odlum Brown Limited is an independent, BC based, full-service investment firm focused on providing professional investment advice, objective research and personalized client service. The company has been providing conservative investment advice to clients for more than 85 years. Our 100% employee owned firm is a Platinum member of Canada's 50 Best Managed Companies and ranks as one of The Best Companies to Work for in BC by BC Business and Watson Wyatt.
