

Portfolio Manager Capital Markets & Financial Management

The capital markets & financial management department is looking for a enthusiastic team player to manage the delivery and support of investment related activities as required for a large diversified balance sheet.

This position is based in Regina and will be involved in the ongoing management of cash, securities, derivatives, currency, structured products as well as providing support to our internal and external clients.

The successful candidate will possess a combination of education and/or experience equivalent to, and derived from a minimum of Level 1 of the Chartered Financial Analyst program, and an under-graduate degree in finance, economics, or business administration or commerce. A working knowledge of general macroeconomic conditions, investment trends, and basic balance sheet management concepts is essential to this position. You will have a strong work ethic, combined with focus on providing quality service and a desire to achieve defined goals. You will have the ability to build professional relationships, understand customers' needs and provide professional advice and effective solutions.

The ideal candidate will have strong leadership skills and the ability to work effectively both in an independent and team environment. A working knowledge of the Microsoft Office applications, as well as commonly used financial management and analysis applications is required. You will be a strong communicator and have the ability to manage multiple tasks and work effectively under tight deadlines.

Concentra Financial operates on a national level and offers a superior work environment, competitive benefits and compensation package and provides for professional development opportunities.
