

CAREER OPPORTUNITY

February 3, 2009

Alberta Investment Management Corporation (AIMCO), Edmonton –

AIMCo invests more than \$70 billion on behalf of a number of public sector pension, endowment and special purpose funds, held across a wide variety of asset classes. AIMCo is a crown corporation committed to providing strong and consistent returns to our clients.

Analyst, Structured Investments:

We are seeking results-oriented individuals to provide support and analysis to Structured and Equity portfolios. You will be required to use your excellent research and analytical skills as well as meticulous attention to detail to help manage certain equity pools. Your ability to think critically and establish good working relationships with portfolio managers and support groups is essential. The successful candidate will be a team player exhibiting initiative with strong written and verbal communication skills.

Financial software, internally-developed programs, and MS Office applications are used extensively in this position. The Analyst is expected to have a broad investment background, an aptitude for mathematics, and very good organizational and problem solving skills.

Qualifications: University degree in Finance, Mathematics, or related discipline supplemented by two years related experience. Experience applying mathematical, statistical and financial concepts and an understanding of complex investment instruments (bonds, derivatives, etc) are desirable. Completion or enrollment in the Chartered Financial Analyst program (CFA program) is preferred. Candidates with less experience may be considered at a lower level.

NOTE: Final candidates will be asked to undergo a security screening. This competition may be used to fill future vacancies.
